Judge Laws and Judge Carter:

Following negotiations yesterday at Affinity, the Union and the Hospitals agreed to seek the postponement of the hearing presently scheduled to commence before Judge Carter on October 30, 2017. Shortly ago, I provided Mr. Sukert with the same update.

In terms of the call requested by Mr. Sukert, I know that Don Carmody and I are not available tomorrow. Additionally, we believe that a call next week makes more sense. During the next few days, the Union and the Hospitals plan to pursue agreement on dates for a new hearing, should one remain necessary following the parties' continued efforts to reach resolution. We will, of course, also reach out to Counsel for the General Counsel for availability on their end.

To the extent Your Honors agree that a call should be scheduled for next week, I know that the members of my firm are available any time next Wednesday.

Thank you,

Bryan Carmody

Subject: CHS I and CHS II - Conference Call Regarding Status

Dear Judge Laws and Judge Carter:

At the conclusion of the Portland settlement discussions, Your Honors and the parties agreed to hold a conference call to discuss the status of collective-bargaining negotiations/settlement after the Affinity CBA negotiation session on October 9. General Counsel requests that the call now be scheduled. With regard to scheduling, Mr. Pincus and I are not available on Thursday, October 12 and Friday, October 13, due to religious observance but are available tomorrow (October 11) or next week, with the exception of Friday, October 20, 2017.

Thank you.

Sincerely,
